

Tanner News

Term 2 Week 6

This fortnight Tanner Learning House has been very busy!

We spent time writing and rehearsing speeches for the rostrum competition that CCPS is participating in. Every student in Tanner wrote and presented a speech with our top 8 giving their speech to the whole learning house! We then narrowed the group down to the top 4 who then presented their speeches to all of year 3-6 in the library. Congratulations to Ryan, Meya, Jaime and Ani for presenting their speeches with confidence and enthusiasm! Anastasia deserves an extra special congratulations as she was announced as the winner for Conder and will be representing the school at the next round at Namadji Primary School!

We've also been working hard in the sustainability garden pulling out old plants and weeds and planting new seedlings. We've added a small herb garden to our vegetable plot as well as planting vegetables like broad beans, spinach, leek and onions. We're looking forward to harvesting the next crop of vegetables to cook with!

Upcoming Events:

Monday 12th June

Queen's Birthday
