Charles Conder Parent Learning Expo Term 1 2017

During the last 12 months at Charles Conder we have been receiving feedback from parents and carers regarding your wishes to be more informed on current learning strategies to support your children and be up to date with current teaching and learning in the 21st century. This term Thursday 2nd March school staff will be providing a parent learning expo to share our knowledge and discuss many different topics through the evening. You will have the opportunity to attend four sessions lasting 15 minutes each and choose from eight different sessions, (please refer to timetable). The night will commence in the Hall with a brief welcome from the Principal and sessions will start at 5.10pm. We will finish at 6.30pm with pizzas and water for parents and children. The library will be open from 5pm where teachers will supervise your children so you can attend the parent learning sessions.
