

# Preschool

Term 1 Week 8

As part of the Fresh Tastes initiative, the Giraffe and Tiger groups have been talking about healthy food and made fruit salad. Pears, apples, watermelon, grapes, strawberries and bananas were provided and the children chose what they wanted to cut up and make into a delicious fruit salad.

## Healthy Food = Healthy Body

Over this term the Monkey and Crocodile groups have been getting to know each other and learning how to respond to diversity with respect. We have been building relationships with others, examining our own personal ideas and respecting that they may not be the same. We have learnt that we have different skin, eyes and hair colour. Plus, we not only look different, but we also like different things.
