Term 2 Week 6

Hi Families,

## Rostrum

This week, all students presented their Rostrum Speech to their class. The teachers would like to commend everybody on their creative ideas, increased confidence and expression when presenting their speeches. Congratulations to Charlotte Castledine, Evie Earl, Lisa Nguyen, Hayley McCoy, Henry Blodemen and Sophie Theunissen who were selected from their classes to present their speeches at the Morimoto Final. Charlotte, Evie, Hayley and Sophie were then selected to present their speech at school final against four students from Tanner. Special mention to Evie who was the runner up at the school final.

## iTime Showcase

Thank you to all the families, friends, students and staff who were able to attend our iTime showcase last Friday. The students had done a fantastic job with their researching and investigating and we can't wait to showcase what we have been learning about in our Mystery of History showcase in week 8 (date and time will be advised soon).

## Cross Country
