

Hi Families,

National Museum of Australia

On May 30th, Morimoto Learning House went to The National Museum of Australia as part of our Mystery of History unit. In small groups, students discussed historical artefacts and learnt what they were used for. Students also had the opportunity to explore the galleries and write down interesting facts from items they found. Students enjoyed lunch at the Museum before heading to the Arboretum for a play and rolling down the big hill. It was a great and educational day.

Mystery of History Showcase

Next Friday morning students will be showcasing their learning from the Mystery of History Unit. Come into Morimoto between 9:30am-11:00 to check out the learning students have been completing.

Mini Fete

Mini Fete is coming up on the last of this term, June 30th. Students have been busy preparing their stalls for the younger students to visit. Students have been working out a budget, roster and how they are going to advertise their stall.
