

Hi Tanner Families!

Tanner Learning House have begun learning about cooperative reading during our listening to reading time on Tuesdays and Wednesdays. We began by exploring the role of illustrator.

While we listened to *Demon Dentist* by David Walliams, we drew what we imagined the story would look like, how it made us feel or something that the text reminded us of. David Walliams is a very entertaining author who uses fantastic descriptive language that helped us draw very detailed and creative illustrations.

Here are some of our visualisations from *Demon Dentist*:

The Year 4 students were also lucky enough to have a visit from the author Jack Heath. Jack entertained us all with stories from his life, excerpts from his books and even magic tricks! We are all very excited to read some of his books!
