

## Hi Tanner Families!

This fortnight in Tanner Learning House we went to the Arboretum for team building. While we were there, we played a few games in the amphitheatre, including rob the nest and get the hoop around the circle to build our relationship skills.

Check it out, we  
made the word  
Tanner!

We then headed for lovely walk up the chicken/bird nest. The views were amazing and the kids really enjoyed themselves!

Before we made our way back to school, we had the chance to stop at the wonderful playground, exploring with sound and movement. We all had an incredible time!

### Upcoming Events:

**Weeks 8, 9**  
3 way  
conferences
