

Hi Families,

In Morimoto we have been continuing our tuning in for our Inquiry History Unit “The Mystery of History”.

Last week we experienced life in an olden day classroom. The Morimoto teachers dressed up to replicate teachers from the 1800’s. The classroom was set up with students sitting in rows using only slate boards to practise cursive writing. It was a lot of fun and the students were thoroughly engaged.

The students have now been asked to research a person or a group of people from this time and are being given the opportunity to dress up as someone from the 1800’s this Thursday the 23rd March.

Just a friendly reminder that camp is coming up in week 10.

We are aware that the original note states that notes are to be returned by the 31st March, however if possible could we please receive the permission slips by the end of this week so we can finalise numbers.

Thank you to everyone that has booked in a time with teachers for 3 way conferences. It is such a wonderful opportunity for parents to get to know their child’s teacher and discuss the students individual learning goals.

## Upcoming Events:

- 23/3- Dress up for History
- 15-31/3- 3 way conferences
- 28/3- 5/6 Transition to Lanyon High School
- 5/4—7/4 Tathra Camp
