

Conder Reading Cafe

Open every morning from 8.30am

The Conder Reading Cafe has replaced the Breakfast Club with the aim of supporting readers while they are having a nutritious breakfast ...as we all know great minds need to be fed with healthy food and a love of learning!

We invite all parents to stop by for 5-15 minutes before school each morning and enjoy a coffee with your children while they have breakfast and read to you. The Conder Reading Cafe is located in the courtyard next to the Library.
