Hi Families,

History Showcase

On Friday the 23rd June Morimoto had their Inquiry History Showcase. We had a wonderful time presenting our learning to parents, carers and other peers in the school. We received lots of feedback about our learning and we are going to use this feedback to further extend and deepen our knowledge.

Mini Fete

This Friday Morimoto Learning House are holding the mini fete. Students have worked out a budget, roster and how they are going to advertise their stall. Just a friendly reminder that the students are to bring the resources that they need for the mini fete labelled in a plastic bag or a snap lock bag.
