

Go Noodle in Kindergarten

In Kindergarten we do *Go Noodle* most days during the week to keep our body fit and build our concentration. *Go Noodle* is a fun and interesting website that we use to exercise our mind and body. We choose a character who becomes our mascot and score points for each activity we complete on the website.

The *Go Noodle* website is free to sign up to and can be used at home as well as school. To use it at home visit www.gonoodle.com and follow the sign up process to create your own character!

Here are some of our favourite **Go Noodle** activities:

- **Marshall:** I like *Pop See Ko* because we get to dance
- **Jackson:** I like *Rainbow Breath* because it helps us relax
- **Brielle:** I like *Move Your Body* because we move and jump around
- **Mia:** I like *Mr Catman's Pat and Rub* because it helps us to concentrate and use our brains
