

## Welcome Back to Term 3!

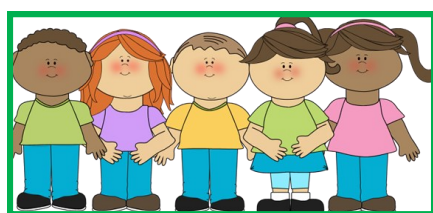

We have had a wonderful start to Term 3! Everyone has come back settled and ready to learn and we have made a great start on our learning.

### Social and Emotional Learning

To help us continue to develop our social skills and emotional understanding we have set some goals to work on this term. We talked about the things that were working well and some problems that we had observed and came up with a list of things we can continue to work on.

Our main goal this term is around focusing on ourselves and our choices. This helps us to take ownership of our behaviour and keeps us on the right track to make positive choices both in the classroom and on the playground.

Our other area of focus is about greeting people and using our interaction skills to have a conversation. We talked about the importance of greeting people when you see them and using our body language and facial expressions to show that we are happy to see them.

### Social Emotional Goals we want to focus on this term.

Moving around safely and sensibly.

Choosing an appropriate learning buddy.

Choosing an appropriate learning space.

Focusing on ourselves not what others are doing.

Supporting our friends.

A big focus for us in social/emotional learning sessions is: how to greet others respectfully.

### Upcoming Events:

- **Wednesday 26th July**  
Canberra Symphony Orchestra Excursion
- **Saturday 29th July**  
Winter Wonderland Fete
- **Tuesday 1st August**  
P-2 Assembly 9:00
