

Welcome back! We have had a busy first week back at school, diving straight back into our learning. It was fantastic to hear everyone has had a fun and rejuvenating holiday and has come back ready to learn!

This week we have been investigating special places through the questions;

- What is a special place?
- How do I feel if I'm in my special place?
- How do I look after my special place?
- Why do I have/need a special place?

Visit Whatley and look at our wonderful display on
'Our Special Places'

Upcoming Events:
