

Exploring Winter through Visual Art

Kindergarten have been exploring the season of Winter through Visual Art by creating snowmen and snowflake collages.

For our amazing snowmen we used our cutting skills to make three different sized paper circles. We arranged them on our cool coloured background to make a snowman shape and then added facial features and extra details.

Our beautiful snowflake collages were made using the traditional fold and cut snowflake technique and then stuck on a background created by spraying cool coloured dyes on our page before finishing off with a splash of glitter!

We are very proud of our amazing artworks and loved sharing them with you at our P-2 Assembly last week.

Upcoming Events:

- **Tuesday 8th August**
School Photos
- **Thursday 10th August**
Literacy Enrichment Day
(Selected students)
- **Thursday 17th August**
Athletics Carnival
- **Friday 25th August**
Kindergarten and
Year 1/2 hosting assembly

Friendly Five Values

Congratulations to the following students who received their special Friendly Five Award at our P-2 Assembly:

Aiden Cording, Samuel Myers, Sophia Elmasri,
Adam Kennedy, Mia Hamilton, Makayla Joyce,
Isaac Parsons, Kirralee Evans, Mischa Burdin
