

The Giraffe and Tiger groups have been investigating a range of emotions in preparation for their social and emotional daily check in. We used Y charts to explore what emotions felt, sounded and looked like. Each day the students will place their picture under an emotion and give a reason for their feelings.

The Monkey and Crocodile groups did their first cooking experience making 'Monkeys, Bees and Trees'. It was a healthy non-cook Fresh Taste recipe that can be done quickly with minimal ingredients. Cooking provides many different opportunities for learning. First, we read through the recipe and discussed whether the different ingredients were healthy for us. We then measured the ingredients, mixed and rolled them into balls. This has incorporated exposing children to literacy, numeracy, fine motor development, language and social skills. At the end of the day we ate our delicious food.

## Upcoming Events:

Pyjama day

⇒ Tuesday 20th June

⇒ Friday 23rd June

Celebrating NAIDOC week

⇒ Tuesday 27th June

⇒ Thursday 29th June

Morimoto mini fete

⇒ Friday 30th June
