SCHOOL SATISFACTION AND CLIMATE SURVEY

Each year, the Directorate surveys all parents and carers, school staff and students in Years 4 to 12 about their experience of public education. The *2024 School Satisfaction & Climate Survey* will be available online from **16 August to 6 September**. The survey results will help us to continue to make quality informed decisions about how to improve our school. No personal identifying information will be provided to any school or college.

For each child in their family who attends an ACT public school, parents and carers will receive:

- A letter about the **student survey** outlining the reasons for collection and privacy provision for the data; and
- An email about the **parent survey**, including a unique link to access the survey. **Genuine survey invitation emails will have the title "The 2024 School Satisfaction & Climate Survey is now open!" and will be sent from EDU Surveys & Evaluation with 'from' address EDUSurveys@act.gov.au.**

If you do not receive the survey invitation, please check your Junk email folder; if it is not there, please contact your school. If you do not have an email listed with the school, please contact the front office on 6142 0177.

The Parents and Carers Survey will be available online in other languages: Arabic, Chinese, Hindi, Korean, Urdu, Vietnamese, Punjabi, Bengali, Spanish, Telugu, French and Italian. Respondents can select their preferred language when they start the survey. A shortened paper-version of the Parents and Carers Survey is also available in the following 5 languages: Dari, Dinka, Farsi, Karen and Mon. These surveys are available at the Front Office.

For the results to reflect the opinions of our whole school community, we need as many parents and carers, staff and students as possible to complete the survey. Your feedback is important, and we hope you will take part.

THARWA PRESCHOOL 125 YEAR CELEBRATION & UPCOMING THARWA FAIR

Congratulations to the Tharwa community on such a beautiful celebration a couple of weeks ago. The community with current and former students, teachers and families reflected on the school's rich history with a photo display and stories from former teachers and students.

The community buried a time capsule that has items from this year's preschoolers. The contents were on display and the preschoolers filled it right before burying and sealed it at the celebration. It is to be opened at the school's 150 year anniversary in 2049. There was planting of a peppercorn tree, which was donated by former Tharwa School principal, Peter Henry. A peppercorn was planted at the school's centenary, so a new one was planted to continue this tradition. It was planted by the school's oldest pupil in attendance, 89 year old Pat Jeffery along with this year's preschoolers.

In addition, the Annual Tharwa Fair is around the corner on Sunday, 8 September and volunteers are still needed, please see the information flyer below.
